*****The pension contribution rate for a Trainee shall be at the same percentage rate of the full contribution rate as his/her percentage of the full journeyman wage rate under 17.8(a), unless the Trainee has previously been a participant in the Pension Fund. If the Trainee has previously been a participant in the Pension Fund, the Employer shall contribute at the full contribution rate for the employee.**

In addition to the above scale, the other working conditions and fringe benefit contributions as set forth in the contract apply. After the sixth six month period, the Trainee is a full-fledged Journeyman, and is to receive the prevailing Journeyman wage rate. Such Trainees are examined at least once a year by the examining board of the Union to determine their rate of progress and to determine if each individual Trainee is a burden on the Employer or the Cement Mason on the job.

Total package wage rates shall increase effective: June 5, 2023 \$2.00, June 3, 2024 \$2.00, May 31, 2025 to be negotiated.
