

GREAT LAKES

FINISHING SOLUTIONS

NEVER GET BURNED BY THE WRONG CONTRACTOR AGAIN.

A BETTER WAY IS HERE. GREAT LAKES FINISHING SOLUTIONS FINDS YOU A CONTRACTOR WHO GETS YOUR PROJECT DONE WITH YOUR FIVE FAVORITE WORDS: ON TIME AND ON BUDGET.

WHO WE ARE

What's the elevator pitch?

No matter where you are, Great Lakes Finishing Solutions finds the perfect painting, wall covering, drywall, or glass contractor so you don't have to.

How do you know the contractor is perfect?

We have hundreds of expert painting, wall covering, drywall, and glazing contractors in our network, and years of experience working with them. They're skilled and dedicated contractors who love what they do.

Why do you guys do what you do?

Navigating the countless potential finishing solutions is exhausting, and going it alone isn't easy. We love connecting people with contractors we know will do the job right, so we came up with the Perfect Fit™ System.

Hang on. What's Perfect Fit?

We get to know you and your project inside and out, then select contractors who have the experience and availability that makes them fit perfectly.

Speaking from experience, the last thing you want to be doing is finding and bidding contractors. It's difficult, time-consuming, and making the wrong hire is just the worst. We are a free (yes, free) resource that alleviates all that. Use us.
