WITNESSETH

For the purpose of this Agreement the geographical jurisdiction for the Commercial Carpenter Employers shall be Milwaukee, Waukesha, Washington, Ozaukee, Racine and Kenosha Counties.

That the parties hereto, for and in consideration of the mutual promises and obligations hereinafter imposed, and mutual benefits derived, agree to and with each other as follows:

ARTICLE 1 – RECOGNITION AND PRIOR AGREEMENTS

- A. The Associations and the Employer hereby recognize the Union on a multi-employer basis as the sole and exclusive bargaining agent for all employees performing bargaining unit work historically covered by this Agreement and covered by the occupational and geographical jurisdiction of the Union. The coverage of this Agreement shall be all bargaining unit work historically covered by this Agreement and normally performed by Journeyman Carpenters, Floor Coverers, and Apprentices, over which the Employer has control. The provisions of this Section shall not prevent the Union from making claims for other work.
- B. This Collective Bargaining Agreement is a Section 8(F) Pre-hire Agreement under the National Labor Relations Act. Any individual Employer signatory to this Agreement may individually execute the Voluntary Recognition Agreement attached hereto with the Regional Council party to this Agreement. The Associations on behalf of their members do not have authority to extend Section 9(A) recognition to the Regional Council.
- C. This Agreement represents a consolidation, reorganization and restatement of, and replaces the 2020-2023 Commercial Carpenters' & Floor Coverers' Agreement, which constituted, collectively, the Agreement in effect between the Associations and the Union just prior to the execution of this Agreement. It is the intention of the parties that such consolidation, reorganization and restatement shall not affect the continuity of the contractual relations between the Associations and the Union as such continuity existed heretofore.

ARTICLE 2 – UNION SECURITY

- A. **UNION SHOP.** All present employees covered by this Agreement who are members of the Union on the effective date of this Section, shall remain members in good standing as a condition of continued employment. All present employees who are not members of the Union on the effective date of this Section, and all employees who are hired after such effective date, shall as a condition of continued employment, become and remain members of the Union during the life of this Agreement, after the seventh (7th) calendar day after their employment by any Employer or Employers covered by this Agreement, or seven (7) days after the effective date of this Section, whichever is later. Such seven (7) day period after which an employee is to join the Union shall be computed from the first day such employee enters the employment of any Employer covered by this Agreement. The Union agrees to furnish journeypersons and apprentices on a nondiscriminatory basis as required by the Employer within twenty-four (24) hours, excluding Saturdays, Sundays and Holidays, after notice by the Employer.

If the Union fails to furnish journeypersons and apprentices as required, the Employer may draw from whatever sources are available to meet the requirements at the time as per this Section.

- B. Should the Employers fail to comply with Article 2 (A), in its entirety, it shall become optional with the Union to furnish its members to said Employers. Article 2 (A) and (B) shall be enforceable only to the extent allowed under applicable state and federal law, and shall under no circumstances be interpreted or utilized for any purpose in violation of 2015 Wisconsin Act 1, subject to modification or repeal by legislative act and subject to any court decision rendering 2015 Wisconsin Act 1 ineffective, in whole or in part.

C. **WORKING ASSESSMENT.**

1. Upon the Union's receipt of an employee's written authorization, which shall be irrevocable for not more than one year or the term of this Agreement, whichever occurs sooner, the Employer shall deduct from the employee's wages, working assessment in the amount certified to the Employer by the Union as representative of that required of all members to maintain membership in the Union, and remit the same in an amount as specified in accordance with the current wage sheet as provided by the Union as specified under Article 10 on a remittance form showing the names and amounts from whom the deductions were made in the amount required for the particular area where the work is performed. Such form shall also show the various fund contributions made by the Employer pursuant to this Agreement. The Union shall furnish the Employer with a copy of the employees' written authorization. Failure of the Union to submit such authorization shall relieve the Employer of the obligation to deduct the working assessment. Such written authorization by an employee may be revoked by the employee during a ten (10) day period prior to the anniversary or termination date of this Agreement, whichever occurs first. In the absence of such revocation, sent and received in accordance with the foregoing, the authorization shall be renewed for additional yearly periods during the term of this Agreement.

2. **AUTHORIZATION.** The employee's written authorization shall require that the employee acknowledge that employment in the construction industry may cause the

employee to be employed by several different employers signatory to this collective bargaining agreement and that the authorization will extend to all employers for whom the employee may perform work under the terms and provisions of the collective bargaining agreement in force and effect as of the time of employment. It shall be the Union's obligation to provide each employer with a copy of each employee's current written authorization upon the establishment or re-establishment of an employment relationship.

3. **HOLD HARMLESS FOR WORKING ASSESSMENT.** The Union shall indemnify and save the contractor harmless against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken by it for the purpose of complying with the provisions of this Section.

B. CLASSIFICATIONS:

The employees covered under this Agreement are: Journeyperson Carpenter, Foreman, Sub-foreman, Apprentice, Pre-Apprentice, Floor Coverer, Foreman, Sub-Foreman, Apprentice and Pre-Apprentice.

C. PRE-APPRENTICESHIP OPTIONS:

1. The Pre-Apprentice progression schedule is based on two levels of 875 hours worked each for a total of 1,750 hours. After 875 hours of employment and again after 1,750 hours, the Pre-Apprentice must be offered an opportunity for entry into the Apprenticeship Program. Nothing shall prevent the Employer from advancing a Pre-Apprentice into either a different hours category or the apprentice program at an earlier time. A Pre-Apprentice cannot be employed for more than 1,750 hours in the pre-apprentice classification except with written approval from the Union.
2. The established pre-apprenticeship percentage is calculated on the journeyman gross taxable hourly wage rate with the fringe benefits as below.
3. If an Employer utilizes Pre-Apprentices, then the Employer shall be allowed to hire one (1) Pre-Apprentice for every one (1) Apprentice employed by the company. The Employer shall not exceed the 1-1 company-wide ratio of Pre-Apprentices to Apprentices. The Employer must notify the Union upon hiring a Pre-Apprentice.
4. The Pre-Apprentice is an entry-level learner position and shall assist apprentice and journeymen carpenters in the performance of their work. Pre-apprentices will not work unsupervised. A Pre-Apprentice will not displace a Journeyperson or indentured Apprentice.
5. If Pre-Apprentices affect prevailing wage certification, this Section does not apply to this Agreement.

D. EARLY RETIREES

1. There shall be at least one apprentice employed by the Employer for each Retiree employed. "Retiree" is defined, for purposes of this provision only, as a retiree of the Building Trades United Pension Fund (the Plan) who is drawing pension payments

from the Plan and performing bargaining unit work under an exception to the disqualifying employment rules of the Plan.

E. YOUTH APPRENTICES

1. By utilizing the State of Wisconsin Department of Workforce Development Youth Apprenticeship (YA), we will be able to expose the future of our industry to the carpenter trade. Through this exposure to the trade both the Union and Employer believe that we can actively support recruitment and provide a seamless transition into the NCSRCC apprenticeship program. Youth apprentices shall be paid a minimum of \$15 per hour.

F. TRAVEL AND SUBSISTENCE.

1. **TRAVEL PAY.** Travel which occurs during the employee's designated shift shall be paid at the straight-time hourly wage rate and fringe benefit contributions shall be required for such time.
2. **SUBSISTENCE ALLOWANCE.** When an employee is employed for a period of more than one (1) day in the subsistence area and is required to stay overnight, he/she shall receive a minimum subsistence allowance of thirty-five dollars (\$35.00) per day or shall be reimbursed for reasonable expenses including food and lodging, whenever receipts are submitted to the Employer. Further, when working outside of the jurisdiction of this Agreement, the Employer shall pay as a minimum, the hourly wages and fringe benefit contribution under this Agreement, according to Article 10 (I).
3. Employees required to travel more than thirty-five (35) miles outside the area covered by this Agreement, or more than thirty-five (35) miles from their residence if their residence is located outside the area covered by this Agreement, will be reimbursed for mileage beyond the thirty-five (35) miles from the Agreement area or residence, whichever is less, at the current IRS mileage rate.
4. For the purposes of this agreement the boundaries shall be Northern boundaries of Washington and Ozaukee counties to the north, state line to the south and to the west from the Pewaukee office, HWY 12 from the state line to Fort Atkinson, HWY 26 in Fort Atkinson to Juneau north to HWY 33 and east to the Washington county line.
5. Any contractor working in the jurisdiction of this contract will remit pension benefit funds, health funds and other industry funds unique to this jurisdiction such as apprenticeship, IAP/CA, CLMC, Big Step and others, for all employees working in this jurisdiction, to the local fund as designated in the contract.

G. PAYMENT OF WAGES.

1. All employees shall be paid weekly, on a calendar week basis, by check either at the jobsite or at their place of residence or by electronic transfer at a financial institution

of the employee's choice at or before quitting time, not later than the fifth work day following the last day of the Employer's established payroll period.

2. All employees who quit or leave work of their own accord will be paid on the regular pay day.
3. Employees terminated and temporarily or permanently laid off by companies with an office in the six county area covered by this Agreement may pay no later than the fifth (5th) day following the last day of the Employer's established payroll. Employees terminated and temporarily or permanently laid off by companies without an office in the six county area covered by this Agreement must be paid their full pay at the time of such termination, temporary or permanent lay off.
4. Any Employer violating this section will be deprived of employees until such time as proper compensation has been made.

H. **LAY-OFF.** Employees whose employment is terminated by lay-off will be advised thereof by the Employer in writing.

I. **WORK INJURIES.**

1. Employees injured on the job and requiring medical attention are to be paid for time spent on the first visit to the doctor and if unable to return to work because of the injury, they shall be paid for the balance of the shift during which the injury occurred. This provision applies to medical attention received during regular working hours only.
2. The Employer agrees that no employee will be discharged or disciplined in any respect for having filed a claim for compensation for an on-the-job injury. An employee who loses time because of an injury incurred on the job site or in the course of employment will be reinstated replacing any employee hired subsequent to the injury, provided the injured employee has not been incapacitated by the injury to such an extent that he/she is no longer qualified for the work.

ARTICLE 6 – SUBCONTRACTING

A. **INDIVIDUAL AGREEMENTS.** The Employer agrees not to enter into any individual Agreement which permits his/her employees to perform their work on any basis of pay other than an hourly rate which shall not be less than the rate specified in this Agreement. It is further agreed that all forms of compensation related to employee productivity, such as bonus systems, quota systems, piecework systems, lumping labor systems and other incentive type arrangements will not be used.

B. **SUBLETTING.**

1. The Employer agrees that when subletting or contracting out work covered by this Agreement which is to be performed within the geographical coverage of this Agreement and at the site of construction, alteration, painting or repair of a building,

structure or other work, he/she will sublet or contract out such work only to an Employer who has signed or is covered by a written Labor Agreement with the Union. At those job sites at which the Employer subcontracts work covered by this Agreement, the Employer agrees to employ, or his subcontractors agree to employ, Union bargaining unit employees.

2. The Employer further agrees that he/she will give written notice to all sub-contractors that such sub-contractors are required to pay their employees the wages and fringe benefits provided for in this Agreement.

ARTICLE 7 – HEALTH AND ANNUITY FUND

- A. The provisions relating to the Health Fund, established in 1952, and amended from year to year thereafter and the Fund established in pursuance thereof are hereby continued.
- B. Each Employer covered by this Agreement shall pay monthly to the Carpenters and Joiners Health Fund, the specified sums per hour for each hour (whether straight-time or overtime) for which wages or compensation is payable to an employee under this Agreement.
- C. The Employer shall be required to pay on all hours worked under the jurisdiction of the collective bargaining agreement but not less than 150 hours per month on all corporate officers, stockholders, directors and managing agents and on the spouse and children of all officers, stockholders, directors and managing agents, if the officer, stockholder, director, managing agent or spouse or child of said officer, stockholder, director or managing agent performs any work coming under the jurisdiction of any collective bargaining agreement entered into by the Milwaukee Office of the North Central States Regional Council of Carpenters.

Further, in the event that the North Central States Regional Council of Carpenters certifies that the child of a corporate officer, stockholder, director or managing agent is a bonafide member of the bargaining unit and does not participate in any corporate decision making and does not assist in directing or controlling the workforce, the minimum payment of one hundred fifty (150) hours per month may be waived by the Trustees as long as all actual hours are reported to the trust fund.

- D. The Carpenters' Health Fund shall be open exclusively to all members of Local Unions affiliated with the North Central States Regional Council of Carpenters, and to all employees working under its jurisdiction on the same basis as it is available to carpenters in the employ of Employers represented by the Associations provided that their Employers make the required financial contributions to the Plan.
- E. **NATIONAL HEALTH PROGRAM.** The parties agree that in the event the Federal or State Government provides health care benefits comparable to those provided by private health insurance plans, including the present health program established under this Agreement, the parties will meet to discuss the effect of the law upon the Union's Health Fund benefits and contributions in effect at that time. It is the intent of the parties to avoid duplicate

coverage between the Union's health fund and coverage provided by the Government Program.

- F. **CONTRIBUTIONS TO ANNUITY FUND.** During the term of this Agreement, the Union may allocate a portion of the total package to the Carpenters and Joiners Defined Contribution Plan, the Trust Agreement of which fund is hereby incorporated by reference in the event that the Union so allocates. It is the intent of the parties that this allocation by the Union shall be in conjunction with a merger of the Milwaukee Carpenters' District Council Health Fund into the Carpenters and Joiners Welfare Fund and in anticipation of a plan design feature by which contributions to the Carpenters and Joiners Welfare Fund and the Carpenters and Joiners Defined Contribution Plan are a combined remittance.

The Parties to this Agreement agree that the Trustees of the Carpenters and Joiners Defined Contribution Pension Plan and the Carpenters and Joiners Welfare Fund may implement a plan design by which contributions to both aforementioned plans are combined. The combined contribution rates to the Carpenters and Joiners Defined Contribution Pension Plan and the Carpenters and Joiners Welfare Fund shall remain unchanged in the aggregate, but the contributions to each of the two respective plans may vary, in accordance with such plan design, based upon actions of the respective plan trustees.

- G. **CONTRIBUTIONS TO SAVINGS PLAN.** Effective upon June 1, 2020, the Union may allocate a portion of the negotiated total package toward a "Savings Plan" via employer deductions from the gross wage. The Savings Plan hereby established is not a jointly trustee Taft-Hartley Plan, but rather an allocation from the gross taxable wage toward an individual savings account for each employee working under the terms of this Agreement. Savings plan deductions must then be forwarded to the Health Fund administrator along with health fund contributions, such Savings Plan contributions will then be forwarded by the Administrator to the Carpenters Federal Credit Union, or such other financial institution designated by the Union. All payment, delinquency, and collection provisions of this Article shall apply to Savings Plan contributions. Nothing in this Section shall be interpreted to restrict any means of collection of Savings Plan contributions, nor the collection of an amount equivalent to dues through Savings Plan contributions.

ARTICLE 8 – PENSION FUND

- A. Each Employer covered by this Agreement shall make contributions to the Building Trades United Pension Trust Fund - Milwaukee & Vicinity, (Pension Fund) at the specified rate for each hour worked (whether straight-time or overtime) for which wages or compensation is payable to an employee and to remit such amounts to the Pension Fund.
- B. Commencement of payment to the Pension Fund of the hourly contributions shall be made in accordance with the collectively bargained wage schedules for the first year of the contract and shall be adjusted pursuant to timely union allocations on subsequent anniversary dates during the term of this agreement.

- C. The Trust Agreement dated June 1, 1959, which established said Building Trades' United Pension Trust Fund as it may be amended from time to time shall govern the establishment, administration and operation of said Pension Trust Fund and of the Pension Plan, provided, however, that the said Trust Agreement and said Plan contain provisions requiring uniform formula of benefits, and a single joint Employer-Union Board of Trustees. The employees covered by this Agreement are to receive such benefits as they may be entitled to under said Trust Agreement and Pension Plan.
- D. Whereas, the Parties agree that a variable rate defined benefit (variable annuity) pension design is a positive step forward for the employees and employers, to improve benefit sustainability and alleviate unfunded benefit liability; Whereas, the employers may agree to make an additional contribution to the pension plan if, but only if, the Pension Fund Board of Trustees approves a complete conversion of the current benefit/design accrual to a variable benefit design/accrual; Now therefore, if the trustees of the Pension Fund develop a variable benefit design, a plan that fully converts the legacy benefit design to a variable benefit design, and, prior to December 31st of any year prior to expiration of this Agreement, the Board of Trustees adopts or resolves to adopt that variable benefit design and that plan (which adoption or resolution shall include all necessary steps to effect the benefit design and conversion plan), the bargaining parties will meet to review and consider an additional pension contribution subject to agreement of the bargaining parties based upon the calculation of the actuary of the cost of conversion of the pension plan. This additional amount shall be used to fund the variable benefit design. Such contribution rate shall be established only by written agreement among all bargaining parties. If a variable benefit design is adopted by the Pension Fund Board of Trustees and the additional contribution requirement is agreed upon, the following provision will apply: in the event that the hourly contribution required to fund the legacy liability of the pension is reduced, which decrease shall be determined exclusively by the Pension Fund Board of Trustees, that portion of the additional contribution requirement subject to such reduction shall be deducted from the total package.

ARTICLE 9 – APPRENTICESHIP AND TRAINING FUND

- A. Each Employer covered by this Agreement shall make contributions to the Carpenters and Joiners Apprenticeship and Journeyman Training Trust Fund (Hereinafter called "Apprentice Training Fund") for each hour worked (whether straight-time or overtime) for which wages or compensation is payable to an employee.
- B. All of the payments required to be made pursuant to Article 9 (A) shall be made in a single payment in a check made payable to "Carpenters and Joiners Apprenticeship and Journeyman Training Trust Fund," separate from the Health Fund check, at the same time and place where Health Fund Payments are made. However, the payments for the Apprentice Training Fund shall be reported separately on the same remittance report as the payments to the Milwaukee Carpenters' District Council Health Fund or such other health fund if applicable in the event of a merger as contemplated by Article 7.
- C. The Payments received by the Fund pursuant to this Article shall be dedicated to the Northern Region and used by the Trustees for the purposes of training apprentices and

journeypersons in the carpenter craft and related occupations and such other purposes as provided for in the Fund Trust Agreement.

- D. **UNITED BROTHERHOOD OF CARPENTERS INTERNATIONAL APPRENTICESHIP AND TRAINING FUND.** The Employer(s) and the Union recognize the need for the quality training of apprentices and journeypersons to meet the industry's craft labor needs and to provide safety and health training and education to enable Union workers to remain healthy and productive. In addition to any contributions otherwise called for herein, the parties agree that the Employer shall make a contribution of ten cents (\$.10) per hour worked for each employee covered by this Agreement to the United Brotherhood of Carpenters International Apprenticeship and Training Fund. Payment to the Fund shall be made no later than the last day of the following month for which work was performed and shall be remitted in accordance with the instructions of Trustees of the respective Fund.

The Employer hereby also agrees to be bound by the Trust Indenture Agreement as now stated or as later restated or amended applicable to the respective United Brotherhood of Carpenters Trust Fund described above.

On request, each Employer and/or Union shall receive a copy of the Fund's annual reports.

This contribution shall be remitted to the administrator of the health fund.

ARTICLE 10 – GENERAL PROVISIONS GOVERNING PAYMENTS TO THE FRINGE BENEFIT FUNDS

- A. A "Fringe Benefit Fund", as that term is used in this Article, is any trust fund to which the Employer is obligated to make contributions under this Agreement, specifically the Building Trades United Pension Trust Fund, Carpenters and Joiners Welfare Fund, the Carpenters and Joiners Apprentice Training Fund, the UBC National Funds and further the Industry Advancement Program/Contract Administration Fund provided for in Article 11. The term "Trustees," as used in this Article, shall also have reference to the "Association" with respect to the Industry Advancement Program/Contract Administration Fund.
- B. The Employer's obligation under this Agreement to make payments and contributions to the Fringe Benefit Funds for all employees covered by this Agreement applies to all employees regardless of membership or non-membership in the Union.
- C. All payments to the Fringe Benefit Funds for employees covered by this Agreement, and while the same is in effect, are deemed to be paid pursuant to this Agreement.
- D. The Employer shall promptly furnish to the Trustees of any Fringe Benefit Fund or to their authorized agents, on demand, all necessary employment, personnel or payroll records relating to its former and present employees covered by this Agreement, including any relevant information that may be required in connection with the administration of the Fringe Benefit Fund. The Trustees or their authorized agents may examine such employment, personnel, or payroll records whenever such examination is deemed

necessary by the Trustees, or their authorized agents, in connection with the proper administration of the Fringe Benefit Fund.

- E. The Trustees of any Fringe Benefit Fund may for the purpose of collecting any payments required to be made to such Funds, including damages and costs, and for the purpose of enforcing rules of the Trustees concerning the inspection and audit of payroll records, seek any appropriate legal, equitable and administrative relief and they shall not be required to invoke or resort to the grievance or arbitration procedure otherwise provided for in this Agreement.
- F. Payments to the Health and Annuity Fund Article 7, Pension Fund Article 8 and Apprentice Training Fund Article 9 are to be made no later than the last day of the following month for which work was performed, after which time the payments will be considered to be delinquent. In the event an Employer becomes delinquent in his/her payments to the Fund, and in view of the fact that the anticipated and actual damages are difficult or incapable of accurate ascertainment in such event, such Employer may be assessed, by the Trustees, as liquidated damages, 20% of such delinquent payments and further such delinquent Employer shall be required to pay interest at the maximum rate permitted by law, not to exceed one and one-half percent (1-1/2%) per month, on the unpaid and delinquent balance (including unpaid past due liquidated damages, if any) owed. In the event that the Fund's Administrative Manager refers the delinquency to legal counsel for collection, then such Employer shall be obligated to pay, in addition to such liquidated damages and interest charges, reasonable attorneys' fees and any other costs and expenses reasonably arising in connection with any collection action.

If the employees are removed from the job by the Union to enforce such payments and penalties the employees shall be paid by the delinquent Employer for all lost time at the straight-time hourly wage rate.

- G. The Employers shall have equal representation of fifty percent (50%) with the Union in the administration of the Health and Annuity Fund Article 7, the Pension Fund Article 8, and The Apprentice Training Fund Article 9.
- H. The Employer agrees to abide by the terms and conditions of the Trust Agreements (Health and Annuity Fund Article 7, Pension Fund Article 8, and Apprentice Training Fund Article 9) and the rules and regulations heretofore and hereafter adopted by the Trustees pursuant to such Trust Agreements; and accepts the Employer Trustees who are appointed under the authority of said Trust Agreements as his/her representatives to administer such Trust Funds and all such past or succeeding Employer Trustees as shall have been or will be lawfully appointed. The Employer hereby ratifies all actions already taken or to be taken by such Trustees consistent with applicable law and within the scope of their authority, except that the bargaining parties retain the authority to ratify mergers by mutual agreement.
- I. In the event the Employer assigns any of his/her Milwaukee area employees covered by this Agreement to work on a job site located outside of the geographical coverage of this Agreement (i.e., outside of the counties of Milwaukee, Ozaukee, Washington and

Waukesha, Racine and Kenosha), the Employer shall continue to make payments to the fringe benefit funds as provided in Articles 7, 8 and 9 of this Agreement for such Milwaukee area employees, unless such Employer is required to pay, and does pay, contributions to like fringe benefit funds pursuant to a labor agreement covering the work at the job site entered into with the Carpenters local union or regional/district council having geographical jurisdiction over such job site. It is the intent of this Section (i) to facilitate the continuity of health benefit coverage for such Milwaukee area employees when working outside the geographical coverage of this Agreement and (ii) to assure that such Employer is not required simultaneously to pay contributions to the fringe benefit funds specified in Articles 7, 8 and 9 of this Agreement and also to like fringe benefit funds under the labor agreement having geographical coverage over the job site.

J. All new Employers will be required, upon signing a collective bargaining agreement, to post with the Building Trades Pension Fund a bond, a letter of credit or cash bond written by a company rated by AM Best as A- or better to guarantee payment of the fund. Bonds shall be in the amounts of:

1 to 20 covered employees \$25,000*

Over 20 covered employees \$50,000**

*This Bond for \$25,000 to remain in effect for the duration of the contract

**This Bond for \$50,000 will remain in force until the Employer has a record of five years of complete and timely contributions

If the Employer becomes delinquent for two months of contributions, the Fund shall call the bond. Any proceeds in excess of the amount owed to the Pension will be distributed first to the Health Fund and then prorated to wages and fringes.

Any Employer who has not been required to post a bond will be required to do so as soon as the Employer becomes delinquent for two months of contributions. This bond in the amounts specified above will remain in place per the above conditions.

Employers who do not provide required bonds may have their employees removed after a 15 day notice to the Employer until such a time as they are in compliance with the bonding requirements. This Article shall not be subject to Article 20 Settlement of Disputes.

As an alternative to the surety bond/letter of credit requirement in this Section, and with approval of the respective fringe benefit fund trustees, the employer may pay fringe benefits weekly plus an additional 10% of such contributions into an escrow account maintained by the fund office until such escrow account reaches the amount specified in this Section. The employer may cash out the escrow account at such time as it can satisfy this Section.

K. **CENTRAL DEPOSITORY.** The Union and Associations will work together to establish a Central Depository for all Employer fringe benefit contributions made under this Agreement. At such time as the respective fringe benefit trust fund trustees deem that

Employers remitting contributions under this Agreement shall remit such contributions to a Central Depository without such contributions being deemed late or delinquent: the Union shall notify all Employers of the address and procedure for remitting to the Central Depository. The Central Depository, upon receiving Employer fringe benefit remittances, will divide up such remittances in accordance with the applicable contribution rates for each respective fund and send forward individual fund remittances to the appropriate destination.

- L. The Employer shall be allowed, at the Employer's option, to home-fund fringe benefits for employees traveling outside the geographic jurisdiction of this Agreement but within the jurisdiction of the North Central States Regional Council of Carpenters (NCSRCC), provided: 1) the Employer is signatory or agrees to become signatory to the NCSRCC Council Wide Agreement or a NCSRCC collective bargaining agreement covering the work in the geographic jurisdiction in which the work is being performed; and 2) provided that that other NCSRCC Agreement also contains this or another home-funding provision (or is the NCSRCC Council Wide Agreement or the UBC #1 Agreement).

Should the Employer perform work covered by an agreement within the NCSRCC jurisdiction without becoming signatory to an agreement covering such work, this Section shall not apply to said Employer. In such case, the Union will notify the Employer and the Association in writing, which notice shall only be effective upon delivery and provide the Employer a two-week period to cure the violation. Should the Employer fail to cure the violation, this home funding clause shall cease to be effective on the first day of the following work month. The Employer may challenge the Union's assertion through the dispute resolution process contained in this Agreement.

The employer will notify the union and affected fund offices when home funding under this article.

Under such circumstances, the following provision shall apply: When the Employer assigns an employee to work outside the geographic jurisdiction of this Agreement, the Employer will pay the total taxable wage, the savings withholding/remittance, the defined benefit pension, defined contribution, and health funds at the home area rates specified in this Agreement to the home area funds specified in this Agreement. The working dues checkoff withholding/remittance, and all other nontaxable fringe benefits, including training, UBC funds, LMC, IAP, etc., will be paid to the funds specified in the NCSRCC agreement covering the geographic jurisdiction in which the work is being performed, and at the rates specified in that agreement.

Employees traveling to work outside the geography of this Agreement shall not be paid less than the total package required in their home area under this Agreement. In the event the total package for the area in which work is being performed is higher than the total package under this Agreement, the additional amount shall be added to the base wage of the employee to equalize the total package paid to the traveling employee with the total package the applies in the area where the work is being performed.

An employer that home-funds fringe benefits for an employee in compliance with this home-funding provision shall not under any circumstances be required to additionally pay the same fringe benefits under this Agreement and an Agreement covering the geography where the work was performed (i.e., no double payment of fringes).

Nothing in this Section shall prevent the Union and Employer from mutually agreeing to terms that differ from this Section.

ARTICLE 11 – INDUSTRY ADVANCEMENT PROGRAM/CONTRACT ADMINISTRATION

- A. During the life of this Agreement, each Employer covered by or subject to this Agreement shall pay to the Industry Advancement Program/Contract Administration (hereinafter referred to as IAP/CA) Fund, for each employee covered by or subject to this Agreement, the amounts as specified below, per hour for all hours worked. These payments shall be made no later than the last day of the following month for which work was performed. Payments from Employers belonging to ACEA, AGC-GM, and AGC-WI are to be sent to the I.A.P./C.A., P.O. Box 507, Brookfield, WI 53008-0507. Payments from Employers belonging to TCCA are to be sent to the I.A.P./C.A., 2901 W. Beltline Highway, Suite 100, Madison, WI 53713..

Effective June 1, 2023 - \$0.20 per hour

For ACEA, AGC-MKE, and AGC-WI: Of the \$0.20 per hour, the IAP will remit \$0.03 per hour to CLMC (Construction Labor Management Council) as management's contribution to CLMC including the funding of Big Step. The IAP will also remit \$0.04 per hour to CLMC including the funding of Big Step as the Union's funding of those programs.

For TCCA: Of the \$0.20 per hour, the IAP will remit \$0.03 per hour to the NCSRCC LMC (North Central States Regional Council of Carpenters Labor Management Committee) as management's contribution. The IAP will also remit \$0.04 per hour to NCSRCC LMC as the Union's funding. Such contributions to the NCSRCC LMC pursuant to this article, shall be remitted to a Labor Management Cooperation Committee under the meaning of 29 U.S.C. Sec. 186(c)(9) upon the formation of such LMCC to operate in the Kenosha County and Racine County areas and for the purposes of recruitment of carpenters and the promotion of the union construction industry.

The IAP/CA contribution rate may be modified by mutual agreement of the Associations at any time during the term of this Agreement. Any such modification shall not affect the contribution rates to the CLMC unless otherwise agreed by the Associations and the Union.

It is further understood that the Employer contributions as required by Article 11 (A) shall not be referred to or considered as wage or fringe benefit payments.

- B. In the event an Employer becomes delinquent in his/her payments to the IAP/CA Fund and after the Allied Construction Employers Association Inc. (ACEA) Board of Directors has

advised the delinquent Employer, in writing, of said delinquency and in view of the fact that the anticipated and actual damages are difficult or incapable of accurate ascertainment in such event, such Employer may be assessed by the Board of Directors, as liquidated damages, 20% of such delinquent payments and further, such delinquent Employer shall be required to pay interest at the maximum rate permitted by law, not to exceed one and one-half percent (1-1/2%) per month on the unpaid and delinquent balance (including unpaid past due liquidated damages, if any) owed. In the event that the ACEA refers the delinquency to legal counsel for collection then such Employer shall be obligated to pay, in addition to such liquidated damages and interest charges, reasonable attorney's fees and any other costs and expenses reasonably arising in connection with any collection action.

- C. If the employees are removed from the job by the Union to enforce such payments or liquidated damages assessments, the employees shall be paid by the delinquent Employer for all lost time at the straight-time hourly wage rate.
- D. The Allied Construction Employers Association Inc. (ACEA) or its officers, may for the purpose of collecting any payments required to be made to the IAP/CA Fund, including damages and costs, and for the purpose of enforcing rules concerning the inspection and audit of payroll records, seek any appropriate legal, equitable and administrative relief, and they shall not be required to invoke or resort to the grievance or arbitration procedure otherwise provided for in this Agreement.
- E.
